

MBPJ Squash Open Championship 2014

Sports Toto continued with its support for Petaling Jaya City Council (MBPJ) by sponsoring RM5,000 to the annual MBPJ Squash Open Championship.

Sports Toto's contribution was presented by Sports Toto communications manager Mr. Giam Say Khoon, to MBPJ deputy secretary En. Ahmat Mohayen Said over a sponsorship presentation ceremony held at MBPJ office on 8 October 2014.

The event marked its 34th year now and saw about 300 squash players taking part in the preliminary rounds starting from 11 October until the final on 18 October 2014.

The Championship was quite unique as it catered to participants of all ages - the juniors, the seniors as well as the veterans. It is a great platform for the junior squash players to improve themselves and aim to become national players. Apart from the locals, the event attracted a growing number of participants from Singapore, Indonesia, Iran and England as well.
