

Sports Toto Shares Harvest and Gawai Cheer With the Underprivileged

Sports Toto always believes that creating benefits to society is an integral part of an organization's business and operations and ties into the philosophy of Giving Something Back to Society.

In conjunction with the Harvest and Gawai festival celebrations, Sports Toto took the opportunity to share the festive cheer with some underprivileged children in East Malaysia.

A few teams of Sports Toto staff and agents visited the Sarawak Children's Cancer Society in Kuching on 27 May 2014, Malaysian Red Crescent Sunflower Centre in Miri on 13 June 2014, Association for Children with Special Needs Sibu in Sibu and Sabah Cheshire Home in Sandakan on 14 June 2014 as well as Bukit Harapan children's home in Kota Kinabalu on 15 June 2014 and had a fun-filled festive party with some 200 children from the 5 non-profit organizations.

It first started with a clown's magic show which immensely mesmerized the children, who then had their fancy tickled by the clown's creative ways of making balloon sculptures. To jazz it up, Sports Toto staff and agents had thoughtfully come up with some fun games with small gifts to be won. The children obviously lightened up during the interaction with the visitors. The fun moments were made complete with a sumptuous meal.

The children were so excited when they received gifts and goodie bags from Sports Toto. On top of that, Sports Toto also donated RM3,000 to each of the non-profit organizations.

All these years, Sports Toto has made it a point to bring cheer to the less fortunate during the festive occasions as the company believes that, everyone, regardless of social status or background, deserves a heart-warming moment during festivities.
